## MONTESSORI CHILDREN HELP OUR COMMUNITY ONE PENNY AT A TIME

VILLA HILLS – A few pennies here and there don't seem like that much money. But the children of Villa Madonna Montessori made it their mission to make it a lot.

Each year during the month of February, the preschoolers and kindergartners collect pennies and other loose change as part of its *Pennies for the People* initiative to donate to a local charity that serves children in need. "The students can do chores to earn money, too, as they learn a valuable lesson in giving and generosity," said Director Stacey Brosky.

This year, the children voted between two charities, and because of a tie, the money collected was split evenly between the two. The children donated \$112.75 to each – to the Boone County charity GoPantry, and to the Andy & Jordan Dalton Foundation. **For information about the school call 859.341.5145 or visit [villamadonnamontessori.org](http://villamadonnamontessori.org).**

The children of Villa Madonna Montessori recently collected \$112.75 to donate to Boone County's GoPantry and to the Andy & Jordan Dalton Foundation as part of its Pennies for the People initiative. The kids are pictured with Miss Stacey, Miss Bea, Miss Patti, Miss Soo, Miss Gail and Miss Molly.
