Wind, weather, moveable and non-move, amphibians

Messages...

Montessori Education Week: We started out the week with our open house, it was packed! Thank you for sharing the information with the community. It was a success. Parents of second year students are visiting with the children for an hour in the classroom. It's a special time for the families to interact in the Montessori environment. And to finish off this special week on Friday you don't even need to get dressed...PJ DAY!!! Don't forget a mug for the hot chocolate.

Pennies for the People: Thanks to the children who collected loose change for people in need. The children will be counting the change and we will let you know who the money will be gifted to! Suggestions for voting on recipient are welcome.

Spring conferences: Will be held on Thursday, March 7. All children will be dismissed at 11:50 a.m. No after care, no kindergarten.

Egg shells: Please save your egg shell halves. They must be completely rinsed and air dried before coming to school. We will be using them for an activity in the classroom.

Baby food jars: If you have any extra glass, baby food sized jars, please send them in! We could use them here at school.

St. Patrick's Day fun! Have your child dress in **GREEN** on Friday, March 15. We will observe the feast of St. Patrick.

Tornado/Disaster Drill: We will be having a tornado/disaster drill this month. It would be a good time to review your family's plan and discuss safety.

Box Tops ongoing: Please continue to send in Box Tops for Education as well as use your Remke or Kroger rewards cards to help our school get cash back. Thanks as always to our parents for their support!

**May peace prevail,
The Montessori staff**
